What's New

Ford Escape

With a refreshed and athletic new design, the Escape rides boldly into the fiercely competitive small SUV market. To accompany its handsome new look, the Escape lineup features a new ST-Line trim level. Escape offers style, capability and flexibility. Escape has been recognized by IIHS and NHTSA as a top safety pick because of its standard safety features. Thanks to its four distinct powertrains, including a hybrid and a plug-in hybrid, Escape can meet the needs of a wide range of potential buyers.

See page 14 for more details.

Ford Super Duty

Super Duty pickups have a long-established reputation for power, capability, durability and advanced technology. It's a cornerstone to why Ford has been America's truck leader for 46 consecutive years. Super Duty has a bold new appearance and new features to help get the job done with more confidence behind the capability. Heavy-duty TorqShift® 10-speed automatic transmission paired with 7.3L PFI V8 and 6.7L PowerStroke V8 engines offers reliable performance. Available tow technology and 360-degree camera packages simplify the towing experience.

See page 19 for more details.

Volkswagen ID.4

Assembled in Chattanooga, Tennessee, the Volkswagen ID.4 EV SUV is designed to deliver on all your needs. Its modern style, performance, and excellent safety scores set it apart. The ID.4 comfortably seats five while also providing plenty of cargo space and decidedly high-tech features. The ID.4 SUV is available in four trims in either rear-wheel or all-wheel drive, and each provide a range that is more than enough for the daily commute. Say goodbye to gas and hello to comfort.

See page 26 for more details.

Harley-Davidson Breakout® 117

The Breakout model returns to the North America model line, flexing more muscle and flashing bright new styling over its long-and-lean chopper profile. The muscle is provided by the Milwaukee-Eight® 117 V-Twin engine, the pinnacle of torque and displacement in a factory-installed, regular-production Harley-Davidson® powertrain that gives the Breakout rider instant bragging rights on the street.

See page 27 for more details.

Chrysler 300

Elegant design and iconic style, wrapped in luxury, and injected with performance.

- ▶ The award-winning 3.6-liter Pentastar® V-6 paired with the standard TorqueFlite® eight-speed automatic transmission on Chrysler 300 delivers 292 horsepower and 260 lb.-ft. of torque.
- ▶ A new clear air filtration system is standard on the 300 and filters 95% of air particulates, reducing many types of solid and liquid airborne matter, such as dust, smoke, droplets and aerosols, making it the cleanest cabin air ever in a Chrysler vehicle.
- ▶ Packed with segment-exclusive features and advanced technology, including the award-winning and standard Uconnect® 4C system Apple CarPlay® and Android Auto™. The Uconnect® 4C system is paired with a largest-in-class 8.4-inch touchscreen.

◀ **SCAN HERE**

Chrysler Pacifica

Named TOP SAFETY PICK+ by IIHS.

- ▶ With an athletic exterior appearance, available all-wheel-drive (AWD) capability paired with class-exclusive Stow 'n Go® seating, Pacifica is the undisputed industry leader.
- ▶ Pacifica achieves highest possible ratings in each of six IIHS crashworthiness tests. Standard-equipment includes Automatic Emergency Braking (AEB) system.
- ▶ The class-exclusive second-row Easy Tilt Seating feature lets passengers access the third row with the simple lift of a lever. This allows the second-row seats to easily tilt forward even with a rear facing child seat installed, so you can load up and exit quickly.

◀ **SCAN HERE**

Dodge Challenger

A man-made muscle masterpiece with nine distinct models and a full range of engine options.

- ▶ Award-winning 3.6-liter Pentastar® V-6 with 303 horsepower in SXT, GT models to 485 horsepower in the legendary 5.7-liter HEMI® Scat Pack.
- ▶ Standard safety and security features on all models include Blind-Spot Monitoring and Rear Cross Path Detection systems, Full-Speed Forward Collision Warning with Active Braking, LaneSense® Lane Departure Warning with Lane Keep Assist and rain-sensing wipers.
- ▶ The 7-inch reconfigurable Driver Information Digital Cluster provides information in an easy to access format. The available Uconnect® 4C NAV boasts an 8.4-inch touchscreen, the largest available in its class.

◀ **SCAN HERE**

Dodge Charger

America's only four-door muscle car that provides the ultimate in high performance, comfort, and road-ready confidence.

- ▶ Unrivaled when it comes to sheer horsepower the award-winning V-6 engine with up to 300 horsepower on the Charger SXT and GT, up to 797-horsepower SRT® Hellcat Redeye.
- ▶ Standard safety and security features on all models include Blind-Spot Monitoring and Rear Cross Path detection systems, Full-Speed Forward Collision Warning with Active Braking, LaneSense® Lane Departure Warning with Lane Keep Assist and rain-sensing wipers.
- ▶ With strong proportions and sleek style, the Dodge Charger is the definition of muscle. From a bold grille to an instantly recognizable body side styling, go ahead and steal the attention on every road.

Dodge Durango

A mighty muscle masterpiece with the strength to haul up to 8,700 pounds.

- ▶ With standard seven-passenger seating and second-row captain's chairs available on GT and R/T models, the seats in the Dodge Durango can be configured in multiple ways.
- ▶ 60 available safety and security features, including standard Blind-Spot Monitoring, seven standard air bags, full-length three-row side-curtain airbags and available forward collision warning with crash mitigation.
- ▶ Apple CarPlay® and Android Auto™ are standard on all Durango models and with a 10.1-inch touchscreen that's nearly 20% larger than Uconnect® 8.4-inch touchscreen that's standard on the R/T & Citadel.

◀ **SCAN HERE**

Jeep Compass

Named TOP SAFETY PICK by IIHS.

- ▶ Legendary 4x4 capability, with a fuel-efficient powertrain, new suspension tuning and upgraded steering that deliver superior on-road driving dynamics.
- ▶ The most technologically advanced Compass ever with an array of advanced safety features, including an available new Highway Assist semi-autonomous driving system, parallel and perpendicular park assist, and a 360-degree surround view camera.
- ▶ Next-generation technologies now offered on Compass include an available 10.25-inch frameless full-color thin-film transistor (TFT) digital cluster.

◀ **SCAN HERE**

Jeep Cherokee

Discover what makes Jeep the most patriotic brand.

- ▶ Up to 31 miles per gallon (mpg) highway on 2.0-liter I-4 turbocharged engine and standard 2.4-liter I-4 engine; optional 3.2-liter Pentastar® V-6 engine with engine stop-start technology, which delivers best-in-class V-6 fuel economy (29 mpg highway).
- ▶ Standard safety and security features on all models include Blind-Spot Monitoring and Rear Cross Path Detection systems, Full-Speed Forward Collision Warning with Active Braking, LaneSense® Lane Departure Warning with Lane Keep Assist, and rain-sensing wipers.
- ▶ Uconnect® system includes dynamic touchscreens, high-resolution graphics, standard Apple CarPlay® and Android Auto™.

◀ **SCAN HERE**

Jeep Grand Cherokee

Most Awarded SUV Ever.

- ▶ The fifth generation brings an all-new architecture, new plug-in hybrid powertrain, all-new exterior design and all-new interior with world-class craftsmanship.
- ▶ With more than 110 advanced safety and security features, including Active Driving Assist with hands-on automated driving, plus 360-degree surround view and night vision cameras.
- ▶ The Grand Cherokee 4xe is the first Grand Cherokee to offer a plug-in hybrid vehicle (PHEV) variant.

◀ **SCAN HERE**

Jeep Grand Cherokee L

The ultimate choice for adventure now features three rows.

- ▶ The highly versatile Grand Cherokee L offers three available 4x4 systems and a host of capability features designed for off-road trails, city streets and everything in between.
- ▶ With the most available safety and security features in its class. Drive confidently with over 110 standard and available safety and security features including Adaptive Cruise Control and Active Lane Management.
- ▶ Choose between the spacious two-row or extended three-row model. The three-row Grand Cherokee L offers multiple interior configurations, an available power-folding third row bench and the ability to carry up to seven people along for the journey.

◀ **SCAN HERE**

Jeep Wrangler

80 Years of Open-Air Freedom.

- ▶ Wrangler gives you the most ways to experience open air freedom with an available removable Freedom Top™ hardtop, and easy-to-lower standard Sunrider® soft top.
- ▶ When conditions change, Wrangler is always one step ahead with over 75 standard and available safety and security features, including Blind Spot Monitoring.
- ▶ The Jeep Wrangler 4xe is the most technologically advanced Wrangler ever. It gives you electric capability with an impressive 375 horsepower, 470 pound-feet of instant torque and an EPA estimated total driving range of 370 miles.

◀ **SCAN HERE**

Jeep Gladiator

Mother nature can throw a lot at you, and the Gladiator has the credentials to handle it.

- ▶ Bring more on every adventure thanks to an available Best-in-Class 7,650-pound gas towing capacity, a Best-in-Class 4x4 1,700-pound payload and multiple ways to help keep it all secure.
- ▶ Naturally protective with available Blind Spot Monitoring and Adaptive Cruise Control are just two ways Gladiator helps you anticipate the journey ahead.
- ▶ The Jeep Gladiator comes equipped with impressive technology like the available Uconnect® system with 8.4-inch touchscreen, GPS and Voice Command.

◀ **SCAN HERE**

Jeep Wagoneer

Experience an unrivaled level of craft and comfort.

- ▶ The Quadra-Drive® II 4x4 system opens up the world with legendary capability. Featuring a rear electronic limited slip differential and a 2.72:1 low-range gear ratio, this automatic 4x4 system offers the power needed to explore uncharted territory.
- ▶ If your rear window is obscured, activate the available digital rear view mirror for a real-time video stream from the exterior rear facing camera, offering an unobstructed view of what's behind your vehicle.
- ▶ Wagoneer is a full-size, three-row SUV that features available seating up to eight passengers and the most overall passenger volume in its class. Plus, a power folding third row and dynamic storage options give you outstanding flexibility for all your gear.

◀ **SCAN HERE**

Jeep Grand Wagoneer

The original American premium SUV returns to push the boundaries of the class it created.

- ▶ Feel the power and exhilaration that come with outstanding utility and capability. Inspired by the original luxury 4x4 SUV, this is the next chapter in American premium adventure.
- ▶ Transform your drive with an advanced level of preventative technology. Discover the kind of confidence that comes with active safety features, including available autonomous technology and innovative driving systems that help protect everyone on the journey.
- ▶ Grand Wagoneer is a full-size, three-row SUV that features available seating up to eight passengers and the most overall passenger volume in its class. Plus, a power folding third row and dynamic storage options give you outstanding flexibility for all your gear.

◀ **SCAN HERE**

RAM 1500

Named TOP SAFETY PICK by IIHS.

- ▶ Features up to 12,750 pounds of towing capability and 2,300 pounds of payload. The eTorque 48-volt mild hybrid system delivers improved fuel efficiency in both V-6 (standard) and V-8 configurations.
- ▶ The only repeat TOP SAFETY PICK for Pickups for 4 years in a row.
- ▶ As a segment disrupter, the Uconnect® 5 system with a massive 12-inch touchscreen leads the segment in technology, featuring split-screen capability, 360-degree camera views, and content from SiriusXM® with 360L and personalized stations powered by Pandora®.

◀ **SCAN HERE**

Ford Mustang

All-New 7th Generation American Sports Car

- ▶ The all-new Mustang is exhilarating and the most fun-to-drive yet, delivering a chiseled aerodynamic exterior design, a driver-centric interior and driving excitement with new advanced engine technologies.
- ▶ Comes equipped with Ford Co-Pilot360™ features, including Speed Sign Recognition, Intelligent Adaptive Cruise Control with Stop-and-Go, and Lane Centering Assist.
- ▶ Immersive digital cockpit inspired by fighter jets features two large customizable digital displays while Ford Power-Up software updates create an upgradeable ownership experience.

◀ SCAN HERE

Ford Escape

Shaking up the Segment with Versatility & Capability

- ▶ With a sporty, versatile design, Escape rides boldly into the fiercely competitive small SUV market. Escape offers style, capability and flexibility. Thanks to its four distinct powertrains, including a hybrid and a plug-in hybrid, Escape can meet the needs of a wide range of potential buyers.
- ▶ Ford Co-Pilot360™ technology offers several driver-assist features designed to help you feel more confident on the road. These include Pre-Collision Assist, Auto High-Beam Headlamps, Lane-Keeping System and rear view camera.
- ▶ Access complimentary remote features, like start/stop, lock/unlock, schedule a start, locate vehicle and vehicle status check on the FordPass® App.

◀ SCAN HERE

Ford Bronco Sport

Wanderers Unite

- ▶ Bronco Sport wears a name that stands for off-road adventure. Equipped with 4x4 capability, rugged design and exceptional utility, Bronco Sport provides the composure needed to perform well on all road conditions and the toughness to tackle the backwood trails.
- ▶ Pre-Collision Assist With Automatic Emergency Braking (AEB) scans the road ahead and can alert you to potential collisions with vehicles or pedestrians detected in your path.
- ▶ Technology improves the Bronco Sport experience on roads and off. All Bronco Sport models feature Ford Co-Pilot360™ technology to help keep drivers aware of their surroundings. Available Trail Control allows drivers to focus on steering in rugged off-road environments.

◀ SCAN HERE

Ford Bronco

The Off-Road Legend

- ▶ Bronco 2-door and Bronco 4-door models provide rugged 4x4 capability, personalization and a celebration of the outdoor lifestyle with removable roof and doors.
- ▶ Tough tested. Bronco brings more than a purposeful, uncompromising, Built Wild design — it also endures the same Built Ford Tough® testing regimen as an F-Series pickup.
- ▶ Bronco has the technology to help its owners drive confidently both on the road and off. Every Bronco includes Ford Co-Pilot360™ technology, 4G LTE Wi-Fi® hotspot and SYNC® 4. Plus, an available trail mapping navigation system includes more than 1,000 curated trail maps.

◀ SCAN HERE

Ford Edge

Named TOP SAFETY PICK by IIHS

- ▶ Powertrain and performance for accelerated lifestyles. Two available engines offer more than enough attitude under the hood – the turbocharged, direct-injection twin-scroll 2.0L EcoBoost® engine and the athletic 2.7L EcoBoost® V6 engine.
- ▶ Safety comes standard. The Ford Edge with specific LED headlamps was recognized as an IIHS TOP SAFETY PICK. With available Ford Co-Pilot360™ technology, it's an SUV you can feel secure in.
- ▶ Edge excels in offering an impressive collection of Ford Co-Pilot360™ technology. The available Ford Co-Pilot Assist+ adds Adaptive Cruise Control with Stop-and-Go, Navigation and Lane Centering, plus Evasive Steering Assist.

◀ **SCAN HERE**

Ford Explorer

The Ultimate Exploration Vehicle

- ▶ The Ford Explorer has an array of capability-enhancing features. From RWD and a 10-speed transmission to the available 3.0L EcoBoost® engine and available Intelligent 4WD with Terrain Management System™.
- ▶ Post-Collision Braking, standard on all Explorer trim levels, can potentially lessen the severity of a secondary collision by automatically applying moderate brake pressure when an initial collision is detected.
- ▶ Equipped with plenty of smart and capable features to prepare you for almost any adventure. Ford Co-Pilot360™ technology offers a lineup of available driver-assist features designed to enhance your driving experience.

◀ **SCAN HERE**

Ford Expedition

Built to Command

- ▶ Expedition or Expedition MAX can be whatever vehicle that suits your needs — whether its a traditional large utility, a luxury SUV, a 4x4 adventure vehicle with the new Timberline® series or a performance SUV capable of producing 440 horsepower with the Stealth Performance Edition Package.
- ▶ All Expedition models feature new front- and rear-end designs, new interior designs and a level of driver-assist technology unprecedented in brand history, including available BlueCruise hands-free highway driving.
- ▶ This full-size SUV is designed to deliver the capabilities you and your crew need. Comfortably accommodate up to eight passengers while hauling an impressive amount of cargo.

◀ **SCAN HERE**

Ford Maverick

The Boldly Efficient and Versatile Pickup

- ▶ This Built Ford Tough® truck offers an exceptional, targeted EPA-estimated 40 mpg city, 1,500-lb standard payload capacity, 2,000-lb base towing capacity and available 4,000-lb max towing capacity, plus a 4.5-ft bed.
- ▶ Safe travels begin with AdvanceTrac® with RSC (Roll Stability Control) and the standard Tire Pressure Monitoring System (TPMS) that alerts the driver when any of the four tires loses air pressure. Maverick provides security with the standard SecuriLock® Passive Anti-Theft System with engine immobilizer and perimeter alarm in the XLT model.
- ▶ Ford owners/passengers can enjoy a 4G LTE in-vehicle Wi-Fi® hotspot, powered by AT&T. Up to 10 devices can connect at once, and FordPass™ keeps track of your Wi-Fi® data usage.

◀ **SCAN HERE**

Ford Ranger

Built For Adventure

- ▶ Ford Ranger has established a strong foothold in the fast-growing midsize truck segment, and for good reason. From navigating off-road trails to carrying kayaks and camping gear, Ranger makes adventure possible.
- ▶ You can have your new Ford Ranger equipped with Adaptive Cruise Control. Just set the cruising speed and distance from the vehicle ahead and as they slow down so will you.
- ▶ SYNC®, SYNC® 3 and FordPass Connect™ with 4G LTE Wi-Fi hotspot keep the driver and passengers connected. Ford Co-Pilot360™ includes driver-assist technology, standard Pre-Collision Assist with Automatic Emergency Braking and Pedestrian Detection.

◀ **SCAN HERE**

Ford F-150

Tougher Than Before, Smarter Than Ever

- ▶ Combining exceptional strength, capability and intelligent technology, F-150 excels in Built Ford Tough productivity, offering excellent towing, payload and off-road capability.
- ▶ Available Ford BlueCruise is a new technology that builds upon available Intelligent Adaptive Cruise Control with Stop-and-Go, Lane Centering and Speed Sign Recognition.
- ▶ The new generation of SYNC® gives you complete control of the innovative tech in your F-150. Available Enhanced Voice Recognition, cloud-based connectivity and so much more bring you a seamless and personalized driving experience.

◀ **SCAN HERE**

Ford Super Duty

Delivering Power and Capability

- ▶ Super Duty® has a bold new appearance and new features to help get the job done with more confidence behind the capability. Newly available Tow Technology and 360-Degree Camera Packages simplify the towing experience.
- ▶ Blind Spot Information System with Trailer coverage will make changing lanes with a trailer less stressful. It will notify you when a car is in your blind spot and when a car is next to your trailer.
- ▶ Super Duty has a 12 inch touchscreen with enhanced voice recognition (to stay focused on the road), cloud-based connectivity and so much more bring you a seamless and personalized driving experience.

◀ **SCAN HERE**

Ford Transit

Your Trusted Business Partner

- ▶ Offers plenty of cargo space. You can choose from three lengths, three roof heights and two wheelbases. There is also plenty of storage for tools, supplies, equipment and more.
- ▶ Transit offers Safety Canopy® side-curtain airbags for the Crew Van and side-wind stabilization, which is designed to counteract lateral movement when a gust of wind hits the van on the road.
- ▶ Ford Co-Pilot360™ technology is standard on Transit Vans, including the Lane-Keeping System and Pre-Collision Assist with Automatic Emergency Braking (AEB), which includes Pedestrian Detection and Forward Collision Warning with Dynamic Brake Support.

◀ **SCAN HERE**

Lincoln Corsair

Versatility and Capability

- ▶ Expressively designed and effortlessly nimble, Lincoln Corsair is spacious, combining refined power and a serene ride with a uniquely Lincoln sanctuary interior.
- ▶ Named TOP SAFETY PICK by IIHS, the Lincoln Corsair comes with the Lincoln Co-Pilot360™ 1.5 suite of five driver-assistance features that provide enhanced confidence on the road and expanded awareness of the world around you.
- ▶ An interface that follows the sound of your voice. Voice activated technology integrates your favorite apps and connects to your smartphone, empowering you to access media and information through your voice and a responsive touchscreen.

◀ **SCAN HERE**

Lincoln Nautilus

Luxury Exemplified

- ▶ The Lincoln Nautilus SUV offers a standard 2.0L turbocharged I-4 engine and an available 2.7L V6 twin-turbocharged engine. With varying horsepower, you can choose the engine that best suits your performance needs.
- ▶ Stay centered. Blind Spot Information System with Cross-Traffic Alert to help keep you aware. Available Adaptive Cruise Control with Stop-and-Go to help keep you driving with confidence.
- ▶ Focus on what matters most with an app that makes vehicle ownership effortless. Access complimentary remote features, like start/stop, lock/unlock, schedule a start, locate vehicle and vehicle status check on the Lincoln Way™ App.

◀ **SCAN HERE**

Lincoln Aviator

Comfort in the Extreme

- ▶ With a stylish exterior and a pair of potent powertrains, the Lincoln Aviator offers a luxury experience with features such as massaging seats, a 28-speaker premium stereo system and buttery leather upholstery.
- ▶ Lincoln makes navigating traffic a little less stressful. Intelligent Adaptive Cruise Control marries camera and radar, enabling the Aviator to detect and adjust to the pace of cars ahead of you.
- ▶ Stay connected with many helpful technologies within the Lincoln Aviator, including available Phone As A Key, wireless charging pad and more.

◀ **SCAN HERE**

Lincoln Navigator/L

Refined and New

- ▶ The Navigator's 4x4 configuration deftly applies the twin-turbocharged engine's 450 horsepower and 510 lb.-ft. of torque, making rugged driving conditions easily traversed.
- ▶ The Navigator offers more standard and total available driver-assist technologies than any other large luxury SUV. Lincoln Co-Pilot360™ 2.0 is included on all models and comes with a suite of features like Intelligent Adaptive Cruise Control with Stop-and-Go.
- ▶ The Navigator is a three-row luxury SUV that can seat seven or eight passengers, depending on if you stick with the standard second-row captain's chairs or opt for the three-seat bench. Every row is supportive and has plenty of head- and legroom. Even the third row is adult-friendly.

◀ **SCAN HERE**

Nissan Altima

Performance and efficiency for the win.

- ▶ The Nissan Altima is a family-friendly sedan with sharp looks, a spacious cabin, and available all-wheel drive. For power, the Altima has two different four-cylinder engines to choose from: a 182-hp base engine or a turbocharged variable-compression unit with 248 horsepower.
- ▶ An IIHS TOP SAFETY PICK, every Altima has forward-collision warning and automated emergency braking, blind-spot monitoring, high-beam assist, rear cross-traffic alert, and more.
- ▶ With standard Safety Shield® 360 and available ProPILOT Assist®, the Altima meets your needs like never before. And everything looks better on Altima's new 12.3-inch touch-screen display: maps, navigation and your favorite apps have never looked better.

◀ **SCAN HERE**

Nissan Leaf

The time to go electric is now.

- ▶ The gas-free Nissan Leaf delivers instant acceleration, impressive range, and nimble handling. The second-generation model lineup consists of the base S model and the longer-range SV Plus, providing a range of 149 miles to 215 miles. The smooth, instant power and a total absence of shifting make the Nissan Leaf ridiculously easy to drive.
- ▶ The available ProPILOT Assist® feature adds a more advanced adaptive cruise control system and lane-keeping assist functionality that work together to create a driver assistance system that eases freeway commuting.
- ▶ The Nissan Leaf is quiet, roomy and has useful technology features that can make driving in heavy traffic easier and less tiring. The touchscreen system, convenience tech and innovative tools help stretch your miles and battery with ease.

Volkswagen Atlas

Designed for Great Destinations

- ▶ Choose one of two engines—a 235-hp four-cylinder or a 276-hp V-6. Both pair with an eight-speed automatic transmission and either front- or all-wheel drive. Best of all, the VW Atlas Ranks #1 for lowest cost of maintenance in the mid-size SUV segment.
- ▶ The Atlas is composed and stable when going around turns, and the smooth brakes and transmission shifting make it easy to drive. A number of driver aids come standard, like adaptive cruise control, lane keeping assist and a crisp rear view camera.
- ▶ With a driver-focused display, touchscreen navigation and wireless connectivity, the Atlas offers seamless technology for all your travels. Key-less access, available wireless charging and upgraded driver assistance features will get you going.

◀ **SCAN HERE**

Volkswagen Atlas Cross Sport

A Stylish Ride with a Sporty Spin

- ▶ The Atlas Cross Sport is a five-seat SUV with athletic handling, ample accommodations and performance features that provide an agile and pleasant ride.
- ▶ The Cross Sport is a Consumer Reports recommended SUV for safety and reliability. VW's IQ.Drive provides driver assistance technology that helps enhance safety, including the well-tuned adaptive cruise control and useful front and rear parking sensors.
- ▶ The Atlas Cross Sport's feature-rich cabin includes driver-focused media and touchscreen displays. The spacious cargo area and everyday comfort gives new meaning to riding in style.

◀ **SCAN HERE**

Volkswagen ID.4

SUV Smarter

- ▶ VW's introduction to EV is designed for the masses and will deliver on all your needs. Go gas free with either the rear-mounted motor that makes 201 horsepower or the all-wheel-drive model that pumps out 295. Both offer a range of over 200 miles and the DC fast-charging capability makes juicing up quick and easy.
- ▶ The electrified VW offers a wide host of standard and optional driver-safety features, like automated emergency braking and pedestrian detection, lane-departure warning and adaptive cruise control.
- ▶ The ID.4 is smart, sporty and contemporary with high-tech features, ambient lighting, and generous cargo space. Its style, performance, functionality, and accessibility set it apart and will transform how you think about electric vehicles.

Nightster®

Sportster S®

Pan American Special®

Harley-Davidson Sport and Adventure Touring

Where touring becomes detouring, roads are blurred.

- ▶ These are the right bikes for:
 - Riders who desire top-of-the-line performance and stunning style
 - Aggressive riding with sport bike agility and handling
 - Making a statement and standing out from the crowd
- ▶ The first chapter of a whole new book in the Sportster® saga. A legacy born in 1957 that outperformed the competition is now rebuilt to blow away the standards of today.
- ▶ The next chapter in a century of legendary V-Twins is here. Revolution Max - Adventure Touring is a liquid-cooled powertrain with 150 horsepower, full of ample torque, and a surging powerband tuned to maximize rider control.

◀ **SCAN HERE**

Harley-Davidson Cruiser

Authentic heritage meets modern technology for power, style, and the unadulterated riding experience.

- ▶ This is the right bike for:
 - Urban riders seeking iconic style and V-Twin rumble
 - Middleweight power paired with precision handling
 - 883cc Air-Cooled Evolution® V-Twin engine
- ▶ Authentic Harley-Davidson® style through and through, dripping with power. The rubber-mounted 883cc Evolution® engine runs hard and rides smooth for thousands of miles so you can just worry about taking in the freedom of boulevards and back streets.
- ▶ Street inspired paint jobs with colors that look right against the backdrop of the urban grid, and don't need a lot of maintenance. These are tough finishes, as mean as the meanest street.

Street Glide® Special

Road Glide® Special

Ultra Limited

Harley-Davidson Grand American Touring

Discover the wide open world and freedom for the soul on bikes only Harley-Davidson® could build.

- ▶ This is the right bike for:
 - Milwaukee-Eight® 114 V-Twin engine and Prodigy™ wheels
 - Never before offered two-tone paint schemes
 - Bright white Daymaker® LED headlamp
- ▶ Reflex™ Defensive Rider Systems gives an optional collection of technologies that help give you confidence and control in less-than-ideal situations.
- ▶ The Milwaukee-Eight® 107 engine is a powerful, smooth-running with crisp throttle response and a pure, soul-satisfying rumble.

◀ **SCAN HERE**

Harley-Davidson CVO

Custom Vehicle Operations™ models represent the pinnacle of Harley-Davidson® style and design.

- ▶ They're manufactured in limited numbers and draw upon the expertise and craftsmanship of the brand.
- ▶ Every CVO™ model is equipped with the awesome power of the Milwaukee Eight® 117 engine, show-stopping finishes, advanced features, exclusive components, and attention to detail that borders on the obsessive.
- ▶ The most powerful V-Twin engine ever offered from the H-D® factory, and only available in CVO models.
